

Customization Professionals

For

For Professionals and the Trades

Custom Coach Creations has designed and built some the most unique vehicles on the road today. With over 16 years of experience up fitting vehicles, we have made a real difference in how our workforce gets to remote locations around the Country! We have a long list of specialty builds that include: Government, Medical, Transportation, Trades, Diagnostic, Hair Salons, Spa, Show dogs and the list keeps growing! If you need a high quality custom built vehicle with off grid power and designed specifically to fit your needs, give us a call!
