For Sale

Only \$94,995.00

Custom Coach Creations. Inc. is proud to present the all new 2024 Voyager

This Coach was Designed and Built Exclusively to be Sold Retail

This Coach has been designed and built by Custom Coach Creations, Inc.

and it is packed with features way beyond most other Class B coaches!

Every Voyager is hand built by some of the most talented craftsmen in the industry, our quality is second to none!

Custom Coach has pioneered the quiet power system eliminating the need for a generator or propane gas.

This Coach can run off grid utilizing the 200 Amps of lithium power.

The future of off grid Coaches is here today at Custom Coach Creation, Inc.

This Coach is 2024 model and was built on a new 2023 Promaster cargo van.
